Who is this course for?

The OTP is open to teachers with the potential and capacity to deliver consistently outstanding lessons and who will take key ideas and skills back to their school to share, or even lead, on some teaching and learning initiatives within their department/faculty or across the school.

The OTP consists of two full days and five half-day sessions over a ten week period. This is interspersed with three in school practice sessions where delegates have the opportunity to apply the skills acquired to class room practice, reflect and feedback to the group.

Programme Objectives
