# CLEAPSS Health & Safety for Science Technicians, Malmesbury School

## 5<sup>th</sup> February 2020, 09.00 -16.00hrs

### Why come on this course?

This is a one day introduction to health and safety for science laboratory technicians from schools and colleges.

### Outcomes

The objectives of the day are to:

- Raise awareness of safety issues and current Health & Safety legislation
- Make technicians more confident with their responsibilities
- Consider and practise the risk assessment process for technician activities
- Consider what safe management – managing safely means in practice for technicians
- Devise an action plan

### How to Apply

To register your interest for a place on the **CLEAPSS Health & Safety for Science Technicians**, please complete the booking form on our website or email [booking@avontsa.com](mailto:booking@avontsa.com) giving your name, school and contact details.

The deadline for booking this course is **22<sup>nd</sup> January 2020**.
