Outstanding Teacher Programme

Who is this course for?

The OTP is open to teachers with the potential and capacity to deliver consistently outstanding lessons and who will take key ideas and skills back to their school to share, or even lead, on some teaching and learning initiatives within their department/faculty or across the school.

The OTP consists of two full days and five half-day sessions over a ten week period. This is interspersed with three in school practice sessions where delegates have the opportunity to apply the skills acquired to class room practice, reflect and feedback to the group.

Programme Objectives

To provide teachers with:

- the ability to demonstrate higher level understanding of teaching and improve learning for their pupils
- the ability to coach colleagues and pupils in their own school and in other schools to raise performance levels
- the ability to create a proactive school culture where the quality of teaching and learning is openly observed, discussed, challenged and enhanced
- increased professional satisfaction and create opportunities for further leadership and career progression
